Projects

Event Management System | React.js, Tailwind CSS, Express.js, Node.js, MongoDB

May 2025

- Developed a comprehensive event management platform supporting CRUD operations for event creation, updates (venue, date, participants), schedule viewing, and cancellations.
- Designed and implemented dashboard, billing, and room allocation modules with a focus on clean UX and event categorization (corporate, social, personal).
- Ensured responsive design and cross-browser compatibility, delivering seamless user experience across devices.

School Website | React.js, Tailwind CSS

July 2025

- Built responsive school website with Image Carousel for virtual tour (hall, canteen, library, playground) and hover/click effects.
- Added Announcements section with titles, dates, messages, and collapse/expand for older notices.
- Optimized images with lazy loading and ensured cross-device compatibility.

Technical Skills

Languages: Java, JavaScript (ES6+), HTML5, CSS3

Frontend Technologies: React.js

Design Tools: Figma

Developer Tools: VS Code, Git, GitHub, npm,

Certifications

Tata Group's GenAI Powered Data Analytics on Forge

June 2025

- Completed an online simulation on AI-powered data analytics and strategy for the Financial Services team at Tata iQ.
- Performed exploratory data analysis (EDA) to extract insights and support decision-making.

The Complete Full-Stack Web Development Bootcamp

August 2025

- Comprehensive course covering HTML, CSS, JavaScript, Node.js, React, PostgreSQL, Web3, and DApps.
- Focused on building skills to become a full-stack web developer through hands-on projects.

Achievements

Online Internship – Devskillhub Training and Consultancy

June 2024 – August 2024

Frontend Web Development

- Completed an 8-week internship focused on building responsive web applications using HTML, CSS, JavaScript, and React.js.
- Worked on live client projects, improving UI/UX and implementing dynamic features.
